

Incentives for energy-efficient propane equipment has been made possible through a US Department of Energy grant issued to Wisconsin's Office of Energy Innovation. To meet federal requirements, funding recipients are required to complete this acknowledgement form.

The age of the building in which the upgrade occurs is over 45 years.

- ☐ Yes
- ☐ No
- ☐ Not applicable – the upgrade is independent of any building on the property

☐ I acknowledge that the measure funded and any connected actions necessary to implement the project did not result in any ground disturbance, tree removal, or tree trimming. If this requirement is not met, funding will not be provided.
