

# FOCUS ON YOUR CAREER

## INTERESTED IN A BUILDING SCIENCE CAREER?

**FOCUS ON ENERGY®** is offering tuition assistance and equipment for qualifying **Building Performance Consultant** trainees.

Building Performance Consultants (BPC), also known as Home Energy Raters, are energy professionals who are trained and certified to evaluate a home's features and prepare an energy efficiency rating. Experienced raters are adept in assessing a home's projected energy performance either from construction drawings or by physically inspecting the home.

**To learn more, contact Leah Canter at: [leah.canter@focusonenergy.com](mailto:leah.canter@focusonenergy.com)**

### HOW TO BECOME A BPC

01

Complete RESNET Training and earn Home Energy Rating System (HERS) Rater Certification

02

Register as a Focus on Energy Trade Ally

03

Use your new building science knowledge to evaluate homes

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
