

You may qualify for a larger discount!

FOCUS ON ENERGY® offers larger discounts on energy-efficient equipment if you meet certain income criteria. Follow these simple steps to find out if you qualify:

- 1 Scan the QR code, call 855.339.8866, or visit focusonenergy.com/income-qualified.
- 2 Complete our easy, no-obligation online application. No documentation required.*
- 3 Focus On Energy will notify you within one business day of application approval.**

Once approved, Focus on Energy will issue a unique qualification code. Provide this code to your contractor to ensure you receive the increased discount on your next energy-efficient equipment purchase.

*Focus on Energy reserves the right to request documentation or proof of income prior to issuing approval. If additional information is requested, approval may take up to three business days.

**If you do not qualify for this offer, you can still take advantage of discounts from Focus on Energy on eligible energy-efficient equipment.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
