

PROJECT PLANNING BONUS

2022 YEAR-IN-REVIEW

Organizations that pursue energy-saving priorities and create strategic energy goals will achieve long-term energy independence. Last year, more than 100 Wisconsin school, government, wastewater, and tribal entities took their energy planning process to the next level by working with FOCUS ON ENERGY®. Participants were rewarded over **\$1.5 MILLION** in financial incentives for developing an energy plan. Check out the energy-saving success these organizations achieved in 2022.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
