*Incentives and bonuses cover **30%** of equipment costs on average.*

How Do I Participate

- 1** Verify eligibility:
 - Participating electric utility.
 - Owns municipal roadway lights and will pay for upgrade.
 - Located in a rural zip code.
- 2** Install qualifying LED roadway lights.
- 3** Submit a Business Incentive Application and include the Municipal Roadway Lighting Bonus incentive code '5464' in Section 7. Download the application at focusonenergy.com/catalogs.
- 4** Receive your financial incentive and see additional savings for years to come.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
